## **A** *Word*

Since long before the dawn of Independence the erudite people among the depressed, persecuted and toiling masses of Tehatta and her adjacent villages have earnestly tried their hardest to eradicate the cause of illiteracy from the locality and to enlighten them with the blessings of higher education. The step that has been recognised as prime is the erection of Tehatta Sailendra Smriti Sangha (a library) in 1946. Gradually the other steps – establishment of a hospital for health consciousness, Post Office for small savings and communication, games and sports for health education, institutions like. Tehatta free Primary School and Tehatta High School for mass education, have glorified the area. The latest addition to the blaze of aspiration for higher education is the 'Tehatta Sadananda Mahavidyalay. None can say with the rotation of the Sun birth of a university at Tehatta may be seen.

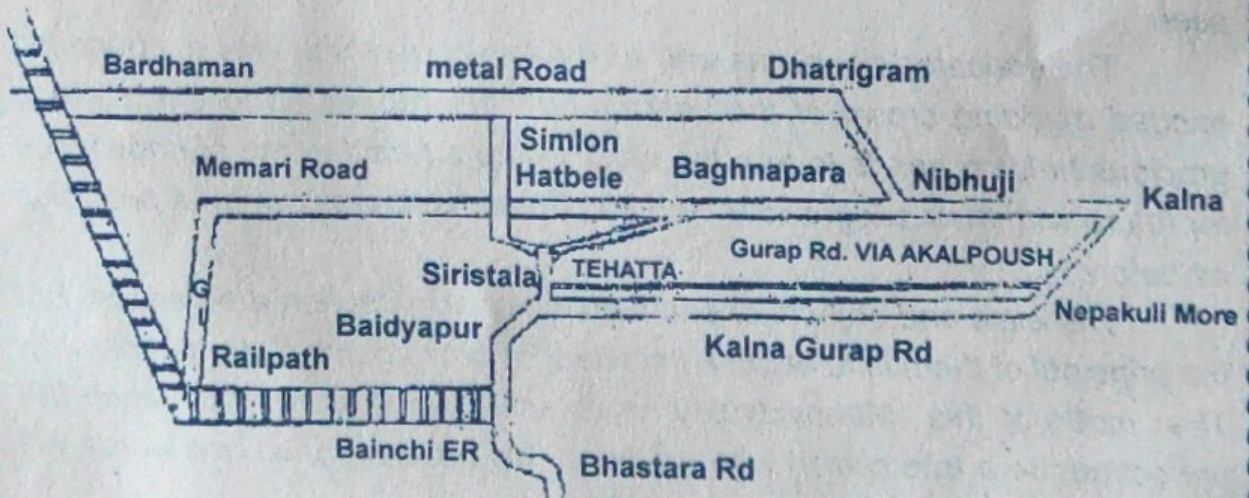

The educated people as well as the lovers of education i.e, education minded madding crowd of the vast arena, are requested to stretch their gracious helping hands to turn the sapling into a healthy tree of knowledge for future with their suggestions and contributions liberally without prejudice as before.

The aims and objects of each educational institution are various, But the principal of them is to acquire knowledge, not to gather information only. The motto of this Mahavidyalay is to assist each student to reach the perfection, be a true citizen who will keep his head high, whose words will come out from the depth of heart, not from mouth.

The Hon'ble Chief Minister to the Govt. of West Bengal has kept her oath by honouring the appeal of the people who are indebted to her and who pay their homage to her as well as to those who have assisted whole-heartedly to reach the goal.

No.-UG/All Principals(CBCS)/178(60)

Dt.- 06.06.2017

**The University of Burdwan**

Office of the Secretary, Council for UG Studies in Arts, Commerce, Science etc.

To

**The Principals / Teachers-in-Charge of All Degree Colleges  
Affiliated to the University of Burdwan**

Sir / Madam,

I am directed to forward the following issues relating to the modalities of selection of Generic Electives and skill Enhancement Courses under semester with CBCS for your kind information and necessary action.

1. (i) Generic Electives will be chosen stream-wise i.e. B.A./B.Com/B.Sc. by a student of Honours/General Course.  
(ii) In case of B.A./B.Sc. Honours Course, a student shall have to choose 4 Generic Electives strictly from 2 subjects/disciplines of choice taking exactly 2 Courses from each subject/discipline. Such a student shall have to study the curriculum of Generic Elective of a subject/discipline specified for the relevant semester.

For example, suppose there are 5 Science subjects viz. Physics, Chemistry, Mathematics, Botany and Zoology available in a college. A student of Physics Honours shall have to choose strictly 2 subjects / disciplines from among Chemistry, Mathematics as Generic Electives then he/she will have to study exactly 2 courses from Chemistry and 2 courses from Mathematics. If he/she opts for Chemistry as a Generic Elective in the 1<sup>st</sup> Semester, Mathematics in the 2<sup>nd</sup> Semester, Mathematics in the 3<sup>rd</sup> Semester and Chemistry in the 4<sup>th</sup> Semester

then he / she will study the curriculum of GE-1 of Chemistry in the 1st Semester, the curriculum of GE-2 instead of GE-1 of Mathematics in the 2nd Semester, the curriculum of GE-3 of Mathematics in the 3<sup>rd</sup> Semester and the curriculum of GE-4 instead of GE-2/GE-3 of Chemistry in the 4<sup>th</sup> Semester.

Similar for B.A. Honours also.

(iii) In case of B.A. General Course, a student shall have to choose 2 Generic Electives strictly from a particular subject/discipline which will be different from the core disciplines including the core languages. Such a student shall have to study the curriculum of GE-1 of that subject/discipline strictly in the 5<sup>th</sup> Semester and the curriculum of GE-2 of that subject / discipline strictly in the 6<sup>th</sup> Semester.

For example, suppose there are 5 Arts subjects viz. Bengali, English, Sanskrit, History and Political Science available in a college. If a student chooses Bengali as core discipline-1, History as core discipline-2 and English language and Bengali as core languages then he/she will have to choose Sanskrit/Political Science as Generic Elective and in this case, he/she will have to study the curriculum of GE-1 of Sanskrit /Political Science in the 5<sup>th</sup> Semester and the curriculum of GE-2 of Sanskrit/ Political Science in the 6<sup>th</sup> Semester.

2. In case of SEC, the mode of selection will be communicated latter.

3. In view of the order of the Hon'ble Supreme Court, Credit and Full Marks of ENVS (AECC-1) will be 4 and 100 respectively instead of 2 and 50.

Thanking you,

Yours faithfully,

Sd/-

Secretary,

UG Council, B.U.
